

CHILD FATALITY NEAR FATALITY EXTERNAL REVIEW PANEL
MEETING SUMMARY
JULY 21, 2014

- Add discussion of formalized policies to September Agenda
- Task for new attorney – research statutes from other states re: drug testing of child guardians with unexpected child death
- Request file from local fatality review board on murder suicide case in Jefferson Co. F-40-13-C
- 4 cases to be assigned for review at September meeting (one per group)
- Send email regarding conference details and attendance to panel members after receiving information from Joel Griffith
- Panel recommendations to be considered: drug testing of parents with unexplained child death; develop trigger point on prior incidents of child abuse/neglect that initiate another layer of services from DCBS; track HANDS referrals to ensure all eligible families are referred; develop a new category outside of substantiated/unsubstantiated abuse-neglect
