CONSENT FOR PRE-EMPLOYMENT POLYGRAPH EXAMINATION

I, _____, voluntarily agree to take a pre-employment polygraph examination for the mutual benefit of myself and the _____.
Department / Agency for which you are applying

I understand that peace officer, telecommunicator and court security officer applicants are required by Kentucky law to take a polygraph examination approved by the Kentucky Law Enforcement Council (KLEC). I fully realize that I do not have to take this examination, and that even in proceeding, I can stop the examination at any time by simply telling the KLEC examiner that I wish to stop. However, I understand that if I choose to stop the examination, I may forfeit further consideration of employment in the above listed agency's current hiring process. In signing this form, I also give my consent to the use of audio and/or video electronic recording equipment during this exam.

I understand I am being requested to undergo a polygraph examination regarding information I have provided on my polygraph questionnaire, application for employment and/or in interviews relating to my suitability for employment.

I understand that the results of this examination, or my failure to cooperate during the test will be considered along with other factors in evaluating my suitability for employment.

I understand that should I attempt to intentionally manipulate the results of this test by any dishonest or intentionally misleading act or omission I may be denied further participation in the selection process.

I authorize the Kentucky Law Enforcement Council office to disclose both orally and/or in writing the examination results to those persons or parties having an interest in this examination. This includes, but is not limited to, an appropriate law enforcement agency for the purpose of a criminal investigation.

I also represent that not only am I in sufficient mental and physical condition to undergo the stress of a polygraph examination, but that I know of no mental or physical ailment that might be impaired by the examination.

I now request that the KLEC examiner proceed with the actual interview and polygraph examination.
