NOTE: The only reasons for reconsideration of this decision are: (a) If there is an allegation of misconduct by a board member that is substantiated by the record: (b) If there is significant procedural error by a board member; or (c) If there is significant new evidence that was not available at the time of the hearing. A request based on the availability of the new evidence or information shall be accompanied by adequate documentation. The inmate or his/her legal representative may submit a request for reconsideration within 21 days of the date the final disposition is made.
