- I agree to return to Kentucky (sending state) at any time I am directed to by the sending state or the receiving state. I know that I may have a constitutional right to insist that the sending state extradite me from the receiving state or any other state where I may be found. This is commonly called the right to extradition. But I also understand and acknowledge that I have agreed to return to the sending state when ordered to do so either by the sending or receiving state. Therefore, I agree that I will not resist or fight any effort by the state to return me to the sending state and I AGREE TO WAIVE ANY RIGHT I MAY HAVE TO EXTRADITION.
