Re: Kentucky Motorcycle Rider Education Program

Dear Tanya Dickinson:

I am writing with our annual correspondence regarding the impact of the Kentucky Motorcycle Rider Education Program housed at Eastern Kentucky University.

Since the Program's inception in 1994, we have seen on average, a 20% plus increase in participants trained per five year cycle. In 1994, a total 531 participants were trained. In 2010 Fiscal Year, 3,609 participants completed the course. From 1994 –2010 a total of 40,051 people have participated in the classes. According to *Kentucky Traffic Collision Facts 2009 Report*, Kentucky had 104,687 registered motorcycles. The number of participants trained in 2010 represents 3.4% of the total number of registered motorcycles. Based upon the Motorcycle Safety Foundation's criteria, this percentage makes Kentucky one of the top training programs in the country.

The Kentucky Motorcycle Program (KMP) currently has 22 training facilities across the Commonwealth. Each facility encompasses an approximate 50-mile radius, giving the residents a training site within an hour's drive. Each site has support from the community, local motorcycle dealers and organizations. Each site charges a reasonable tuition fee for the course not to exceed our established cap. Sites are located in these cities: Ashland, Bowling Green, Elizabethtown, Frankfort, Ft. Knox, Georgetown, Harlan, Hazard, London, Louisville (3 sites), Madisonville, Hindman, Morehead, Paducah (2 sites), Prestonsburg, Richmond, Somerset and Walton. There is also a Riders Edge program located in Bowling Green.

KMP currently owns and maintains over 264 motorcycles and 8 scooters. In addition to cycles that are owned, cycle dealers around the state loan just under a dozen additional cycles to KMP. Dealerships across the state provide a discount for both maintenance items and parts for the training fleet.

KMP provides promotional material through all the Circuit Court Clerks and motorcycle dealers. These materials include posters, brochures, information sheets, etc.

In accordance with KRS 186.895, the Transportation Cabinet shall prepare a biennial report for the Governor and Legislative Research Commission on the Motorcycle Safety Education Program enacted by the 1992 General Assembly.

The attached reports list:

1. The number of students trained by course year and site
2. An inventory of motorcycles owned by the program
3. Demographics of students taking the course
4. A list of approved RiderCoaches

Budgetary, the motorcycle program is on sound footing as receipts are ahead of expenditures. As the program grows and trains more students, a spend down of reserves is likely. The FY 2010 receipts by category:

Motorcycle Permit	\$4.00
Motorcycle License	\$4.00
Motorcycle Registration	\$4.00
Program Expenditure for 2010	\$

### Overall Assessment

The following is a quantitative report that demonstrates the impact of the Kentucky Motorcycle Program as of June 2010. A total of 22 site providers are operating programs, with an additional 5 sites being investigated. The total number of participants completing the basic and advanced courses since the inception of the program in 1994 is 40,051; this total represents 120 counties. The program owns 264 motorcycles and utilized 10 loan motorcycles from dealers. 98 RiderCoaches are certified and approved, with 25 applications on file.
