Re: Kentucky Motorcycle Rider Education Program FY14

Dear Tanya Dickinson:

I am writing with our annual correspondence regarding the impact of the Kentucky Motorcycle Rider Education Program housed at Eastern Kentucky University.

Since the Program’s inception in 1994, we have seen on average a 20% plus increase in participants trained per five year cycle through 2008. In 1994, a total 531 participants were trained. In 2013-2014 Fiscal Year, 3,466 participants registered for the course. From 1994 – June 30, 2014 a total of 55,950 people have participated in the classes. According to *Kentucky Traffic Collision Facts 2013 Report*, Kentucky had 100,099 registered motorcycles in 2013. The number of participants trained in 2013-14 represents 3.5% of the total number of registered motorcycles. Based upon the Motorcycle Safety Foundation’s criteria, this percentage makes Kentucky one of the top training programs in the country.

The Kentucky Motorcycle Program (KMP) currently has 24 training facilities across the Commonwealth. Each facility encompasses an approximate 50-mile radius, giving the residents a training site within an hour’s drive. Each site has support from the community, local motorcycle dealers and organizations. Each site charges a reasonable tuition fee for the course not to exceed our established cap. Sites are located in the following locations: Ashland, Bowling Green, Elizabethtown, Frankfort, Ft. Knox, Georgetown, Harlan, Hopkinsville, Hindman, Lexington, London, and Louisville (3 sites), Madisonville, Morehead, and Paducah (2 sites), Prestonsburg, Richmond, Somerset and Walton. There is also a Riders Edge program located at Bowling Green Harley-Davidson.

KMP currently owns and maintains 324 motorcycles and scooters. Dealerships across the state provide a discount for both maintenance items and parts for the training fleet.

KMP provides promotional material through all the Circuit Court Clerks offices and motorcycle dealerships. These materials include posters, brochures, information sheets, etc.

In accordance with KRS 186.895, the Transportation Cabinet shall prepare a biennial report for the Governor and Legislative Research Commission on the Motorcycle Safety Education Program enacted by the 1992 General Assembly.

The attached reports list:

1. The number of students trained by course year and site,
2. An inventory of motorcycles owned by the program,
3. Demographics of students taking the course, and
4. A list of approved RiderCoaches.

Budgetary: The motorcycle program is on sound footing as receipts are ahead of expenditures. The FY 2014 receipts by category:

Motorcycle Permit	\$4.00
Motorcycle License	\$4.00
Motorcycle Registration	\$4.00
Program Expenditure for FY14	\$

Overall Assessment

The following is a quantitative report that demonstrates the impact of the Kentucky Motorcycle Program as of June 2014. A total of 24 Site Providers are operating programs, with additional sites being investigated. The total number of participants completing the basic and advanced courses since the inception of the program in 1994 is 55,950; this total represents 120 counties. The program owns 324 motorcycles and scooters. Kentucky has 100 certified and approved RiderCoaches.

Respectfully Submitted,

Christopher Millard
State Coordinator
