## Introduction

Domestic violence is a widespread issue that profoundly impacts not only the victim, but also family members, peers and the community. People from all backgrounds and demographics experience DV, and it manifests in many forms, including physical, sexual, financial and emotional abuse.<sup>1</sup> Despite its prevalence, fewer than half of violent DV incidents are reported to the police, and fewer than a quarter of victims seek help from support services.<sup>2</sup>

Research from the Centers for Disease Control and Prevention indicates 39.6% of women and 22.2% of men in Kentucky have experienced physical/sexual violence or stalking by their intimate partner.<sup>3</sup>

Since taking office, Gov. Andy Beshear has made it a top priority to increase public safety by supporting victims and ending generational cycles of crime in the commonwealth.

The Governor has championed victims of crime and sexual abuse since his first day as attorney general, and he continues to do so in the Governor's Office. As attorney general, Beshear's office created the [Office of Child Abuse and Human Trafficking Prevention and Prosecution](#), created the Survivor's Council and arrested a historic number of child predators.

Since taking office, the Beshear-Coleman administration has awarded more than \$187 million in grant funding to victim service agencies across the commonwealth. The Governor has also signed legislation to [make sexual extortion a felony](#) and strengthened statutory language to [include other forms of abuse and sexual exploitation of minors](#).

In March 2026, the Governor further protected Kentuckians by [signing legislation](#) to establish the offense of grooming to better protect Kentucky children and hold offenders accountable; to formalize the role of a statewide Sexual Assault Nurse Examiner coordinator to strengthen the state's response to sexual assault cases and better support survivors; and to enhance the state's stalking laws by broadening the scope covered under the law to include social media and more.

Gov. Beshear signed [Senate Bill 271](#) in 2022 and [House Bill 535](#) in 2023 requiring the collection and analysis of data related to domestic violence in the commonwealth, including domestic violence arrests, domestic violence shelter use and reports of child abuse.

Pursuant to KRS 209A.122, the Justice and Public Safety Cabinet's Criminal Justice Statistical Analysis Center (CJSAC) is required to collect data on domestic violence fatalities, domestic violence and dating violence. The annual DV Data Report fulfills this requirement. The broader purpose of this report, however, is to support the ongoing commitment of the commonwealth to ensure the safety and well-being of the people in Kentucky, particularly those affected by violence and abuse.

The annual Domestic Violence Data Report reflects the ongoing efforts of the Beshear-Coleman administration to enhance the quality, clarity and accessibility of domestic and dating violence data. Law enforcement, the judicial system, and state domestic and sexual violence coalitions continue to work diligently to hold abusers accountable and support victims and survivors across the commonwealth.

In 2025, there were:

- **33,786** electronic JC-3 forms related to domestic and/or dating violence and abuse filed by law enforcement.
- **8,301** arrests were made for incidents involving domestic or dating violence and abuse.
  - **22,641 children** were present at these scenes. **9,343** were aged 5 or under.
  - **1,636 children** were the ones who called the police for help.
  - **438 incidents** with children present involved guns.
- **20,129** emergency protective orders and temporary interpersonal protective orders were ordered by the court.
- **4,013** Assault 4<sup>th</sup> Degree Domestic Violence convictions
- **93** Assault 4<sup>th</sup> Degree Domestic Violence 3<sup>rd</sup> or Greater Offence in 5 years convictions
- **85** Assault 2<sup>nd</sup> Degree Domestic Violence convictions
- **10** Assault 1<sup>st</sup> Degree Domestic Violence convictions
- **17,950** reports of alleged child abuse/neglect to CHFS that also included intimate partner violence in 2025.
- **14,338 individuals** received services from ZeroV's 15 regional domestic violence programs.
- **19,481 crisis/hotline calls** to ZeroV's 15 regional domestic violence programs.

### **Sexual Extortion**

In 2025, Gov. Beshear signed [Senate Bill 73](#) into law ([KRS 531.125](#)), which established the crime of sexual extortion, commonly referred to as “sextortion.” Sextortion is a form of coercion where someone threatens another person’s reputation, safety or property to force the victim into engaging in sexual acts, providing sexual images, providing money or doing other things against their will.

Sexual Extortion starts as a Class A misdemeanor but can be enhanced to a felony under certain conditions (e.g., the victim suffering serious physical injury or if the offender had prior sex crime convictions). If the victim attempts or dies by suicide within 90 days of the offense due to the trauma of their victimization, the offender may be charged with assault or homicide.

### Sextortion Charges in Court<sup>c</sup>

\*SB 73 went into effect June 27, 2025. This table only represents charges filed in court from June 27 to December 31, 2025.

### Enhanced Violation of Order of Protection

[HB 38](#) amended [KRS 403.763](#) and [KRS 456.180](#) to enhance criminal penalties for repeated violations of an order of protection. Following this amendment, a third or subsequent violation of protection order within a five-year period can be enhanced to a Class D felony if it involves the use/attempted use of physical force or a threat of physical harm.

## Key Findings

### Domestic and Dating Violence Incidents and Outcomes

Domestic and dating violence continues to plague Kentucky communities. In 2025, law enforcement responded to 33,786 incidents of domestic and dating violence and made 8,301 arrests).<sup>a</sup> In 2025, the FBI's Uniform Crime Reporting Program recorded 25 Kentuckians<sup>b</sup> killed by their intimate partner.<sup>6</sup> Kentucky still lacks a formal system to track homicides related to intimate partner violence, including bystanders and other family members killed in these incidents, which means the true death toll remains unknown.

#### Kentucky Domestic and Dating Violence Incidents and Arrests

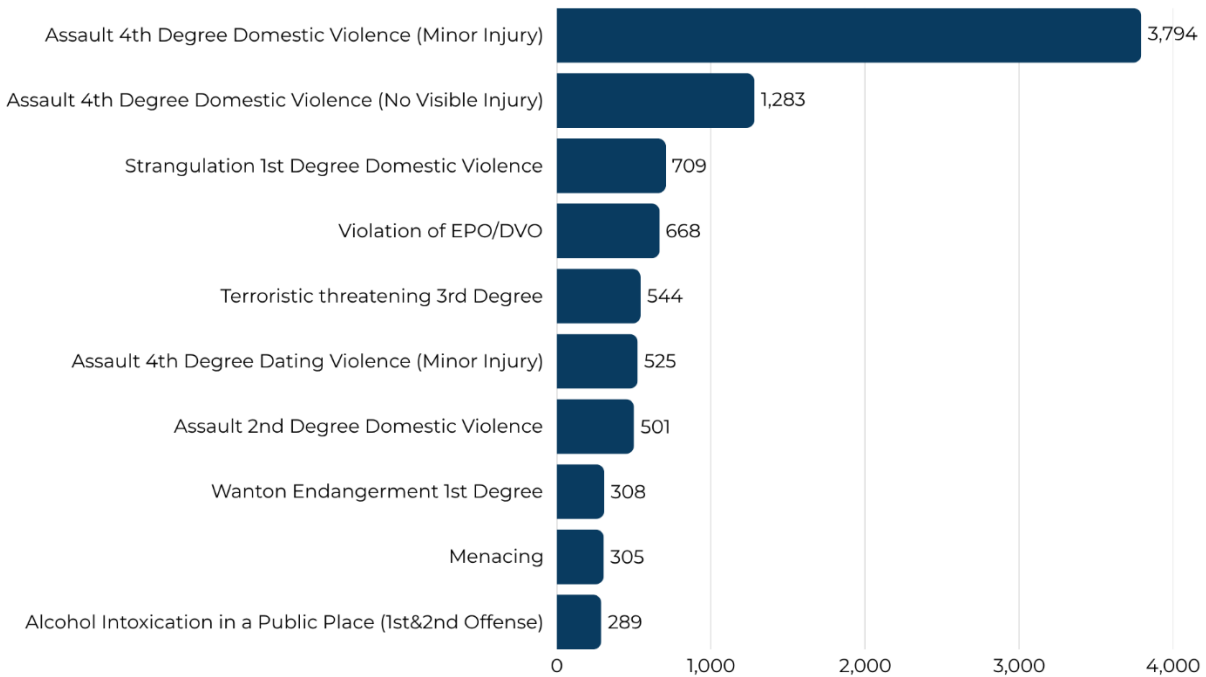

Among all domestic and dating violence offenses charged, 5,077 were Assault 4<sup>th</sup> Degree (Domestic Violence) charges, followed by 709 Strangulation 1<sup>st</sup> Degree charges. Police also recorded 668 violations of EPO/DVO protective orders and 544 counts of 3<sup>rd</sup> Degree terroristic threatening.<sup>a</sup>

<sup>a</sup> As recorded on JC-3 forms. Data provided by the Kentucky State Police.

<sup>b</sup> Intimate partner refers to the following NIBRS Victim's Relationship to Offender categories: Boyfriend/girlfriend, ex-relationship (ex-boyfriend/girlfriend), ex-spouse, common-law spouse, and homosexual relationship.

## Most Frequent Charges in Domestic and Dating Violence Incidents (2025)

In 2025, Kentucky courts recorded over 8,000 domestic and dating violence convictions. Assault was the most common offense, resulting in 4,211 convictions for domestic violence assault and 726 for dating violence assault. Protective order violations also represented a significant share, with 2,556 convictions. In addition, there were 12 domestic violence murder convictions, 425 strangulation convictions, and 143 stalking convictions recorded in 2025.<sup>c</sup>

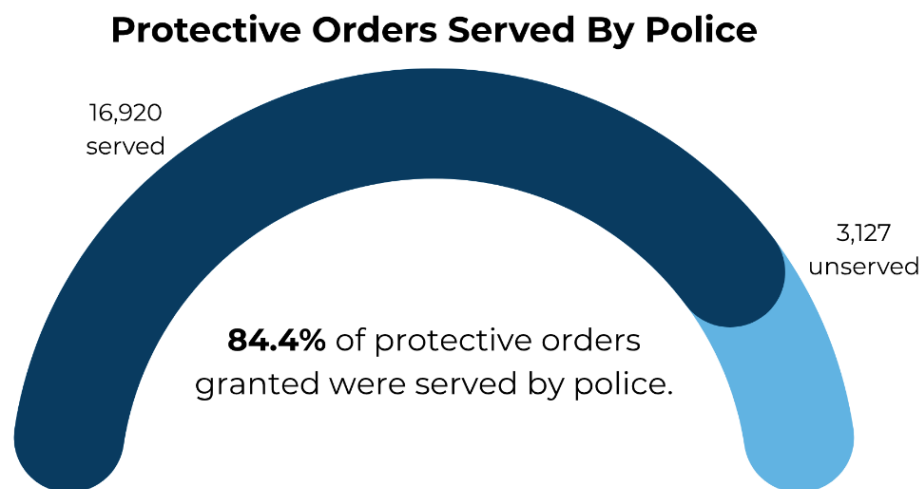

<sup>c</sup> Data provided by the Administrative Office of the Courts.

## Protective Orders

Victims of domestic violence, dating violence and sexual assault can seek legal protection 24 hours a day by requesting civil emergency/temporary protective orders at their local Office of the Circuit Court Clerk.<sup>d</sup> Protective order petitions are also available on the Administrative Office of the Court’s [Self-Help Portal](#).

In 2025, the courts granted 20,129 emergency/temporary orders<sup>e</sup> and 5,842 long-term protective orders.<sup>c</sup> Law enforcement served 84.4% (16,920) of protection orders granted.<sup>f</sup>

<sup>d</sup> The process of applying for a protective order can be found in [Appendix D](#). Refer to [How to Obtain a Protective Order](#) for more details on applying for a protective order.

<sup>e</sup> Emergency protective orders and temporary interpersonal protective orders are not active or enforceable until they are delivered to the respondent, or “served.”

<sup>f</sup> Data provided by the Kentucky State Police e-Warrants system.

## Domestic Violence Shelter Programs

Kentucky's domestic violence shelter programs provide a variety of services to anyone impacted by intimate partner violence through their [15 regional programs](#). For resources and support, call the 24-hour hotline in your area.

**19,481** calls were made to domestic violence crisis hotlines.

**14,338** individuals received services from a KY domestic violence program.

\*See [Table 22](#) for full data table.

## About the Report

This project was supported, in whole or in part, by subaward number ARPA-2023-Office o00024 awarded to The Criminal Justice Statistical Analysis Center through the Commonwealth of Kentucky, Justice and Public Safety Cabinet by the U.S. Department of the Treasury. The opinions, findings, conclusions and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Commonwealth of Kentucky, Justice and Public Safety Cabinet or the U.S. Department of the Treasury.

In 2022 and 2023, the Governor signed into law [Senate Bill 271](#) and [House Bill 535](#) respectively, requiring the collection and analysis of data related to domestic violence in the commonwealth, including domestic violence arrests, domestic violence shelter use and reports of child abuse. The report is compiled using data provided by the Kentucky State Police, the Cabinet for Health and Family Services, the Administrative Office of the Courts and ZeroV.

The Criminal Justice Statistical Analysis Center (CJSAC) is located within the Justice & Public Safety Cabinet and is required by statute ([KRS 209A.122](#)) to collect information on domestic violence fatalities, domestic violence and abuse, and dating violence and abuse within the Commonwealth. The data contained within this report represents January 1, 2025, to December 31, 2025. The following contributing agencies provided the data contained within this report to CJSAC for compilation and analysis: the Kentucky State Police (KSP), the Administrative Office of the Courts (AOC), the Cabinet for Health and Family Services (CHFS) and ZeroV. The original records are maintained by the respective agency.

Following the 2025 legislative and administrative updates, the following charges were included in the data query by the Administrative Office of the Courts:

## Kentucky State Police

Per KRS 209A.122, the Kentucky State Police shall provide the center with:

- (a) The number of domestic violence and abuse and dating violence and abuse calls for service to which the Kentucky State Police and associated law enforcement agencies responded;
- (b) The number of arrests by Kentucky State Police and associated agencies in response to calls of domestic violence and abuse or dating violence and abuse; and
- (c) If an arrest was made, the arresting offense charged by Kentucky State Police or associated law enforcement agencies.

Separately, using data contained within the Law Information Network of Kentucky (LINK), the Kentucky State Police shall provide the Center with the:

- (a) Number of orders of protection received to be served by law enforcement agencies;
- (b) Number of orders of protection served by law enforcement agencies;
- (c) Number of orders of protections in LINK; and
- (d) Average time for actual service to be returned.

## About KSP

The Kentucky State Police (KSP) is a department of the Kentucky Justice & Public Safety Cabinet and is the official state police force of the Commonwealth of Kentucky responsible for statewide law enforcement.

The JC-3 form<sup>9</sup>, as outlined in [KRS 15A.190](#), was created as a mechanism to support victims of domestic violence. A law enforcement officer who responds to domestic or dating violence uses the JC-3 to document any information or injuries. In addition to completing the JC-3, the officer provides the victim with community support resources. The law enforcement officer's agency of employment maintains record of the JC-3. This report uses the JC-3 as a mechanism to track domestic and dating violence-related calls for service.

---

<sup>9</sup> See [Appendix B](#) for a sample JC-3 form.

KSP uses The Law Information Network of Kentucky (LINK) to collect, classify and maintain information useful for detecting crime and for the identification, apprehension and conviction of criminals.

The KyOPS e-Warrants system populates LINK with Emergency Protective Orders and Temporary Interpersonal Protective Orders. KyOPS e-Warrants is the web portal to the Commonwealth of Kentucky's enterprise electronic warrant repository. This repository has all the functionality necessary to capture, store, file, distribute, process and securely access electronic warrants of various types, both those received by and those created by jurisdictions within the commonwealth. For the purposes of this report, KyOPS e-Warrants provides data in [Table 6](#) on orders of protection received and served by KSP.

## Data Description

This report contains data queried from KyOPS and KyOPS e-Warrants.

A complete list of definitions and data descriptions for this section can be found in [KSP Data Dictionary](#).

All JC-3s referenced in this report are electronic JC-3 forms that have "Domestic Violence and Abuse" (as defined in [KRS 403.720](#)) or "Dating Violence and Abuse" (as defined in [KRS 456.010](#)) marked as the *Nature*. Instances of "human trafficking," "child abuse, neglect, and dependency" and "vulnerable adult abuse, neglect, or exploitation" that do not co-occur with "dating violence and abuse" or "domestic violence and abuse" are excluded from the report. A complete list of charges filed on JC-3s in 2025 is available in [Appendix J](#).

KSP Drug Enforcement Special Investigations (KSP DESI) investigates cases involving narcotics. Due to the sensitive and confidential nature of these cases, this report excludes any cases involving a JC-3 under active investigation by KSP DESI.

[KRS 209A.122](#) lists the "number of orders of protection in LINK" as a requirement of this report. As a dynamic and constantly changing count, the numbers of all orders of protection in LINK are not easily reported. This value is best represented by the number of Emergency Protective Orders (EPO) and Temporary Interpersonal Protective Orders (TIPO) received and served, as seen in [Table 6](#).

## Statistical Analysis Considerations

- These statistics represent a snapshot in time as of the date the data was queried.
- A single party may be involved in one or more cases.
- A single arrest case may have one or more charges.
- Arresting offense charge reflects circumstances at the time of arrest but does not reflect case outcomes.

## About AOC

The Administrative Office of the Courts (AOC), as the administrative arm of the Kentucky Court of Justice, supports court facilities and programs in the commonwealth. AOC is responsible for maintaining court statistics through a statewide case management database.

## Data Description

To allow for the creation of the annual report specified in [KRS 209A.122](#), AOC's Division of Research & Statistics provides CJSAC with pre-aggregated data as described below

reflecting the relevant civil and criminal cases related to Domestic Violence or Interpersonal Protection (DV/IP) in CY25.

A complete list of definitions and data descriptions for this section are found in [Appendix E](#) and [Appendix F](#). A complete list of charges included in the query for this report is in [Appendix G](#).

CourtNet, which provides a summary of court cases statewide, was queried separately for the criteria listed below:

- *Civil Cases Filed*: Domestic Violence and Interpersonal Protection cases (Case Number Type *D*) filed from 1/1/2025 to 12/31/2025. Expunged and non-applicable case types were excluded.
- *Civil Cases Disposed*: Domestic Violence and Interpersonal Protection Cases (Case Number Type *D*) disposed from 1/1/2025 to 12/31/2025. Expunged and non-applicable case types were excluded. Case disposition type “Transferred” was excluded in the data tables included in this report. [Appendix K](#) includes a chart outlining the case dispositions.
- *Criminal Cases Filed*: Criminal or Juvenile Cases filed from 1/1/2025 to 12/31/2025 including at least one of the UOR Codes. Criminal Cases include Case Number Types *CR* (Circuit Criminal), *F* (Felony), *M* (Misdemeanor), *T* (Traffic). Juvenile Cases include Case Number Type *J*. Expunged and non-applicable case types were excluded.
- *Criminal Charges Disposed*: Charges disposed from 1/1/2025 to 12/31/2025 of those within Criminal or Juvenile Cases. Expunged and non-applicable case types were excluded.

For all civil cases identified in the first two queries, an additional query was performed to identify the presence of any documents with the following Document Types within the resulting cases:

| Document Code | Description                              |
|---------------|--|
| OEP           | Order for Emergency Protection           |
| TIPO          | Temporary Interpersonal Protection Order |
| ODV           | Order of Domestic Violence               |
| IPO           | Interpersonal Protective Order           |
| ODVD          | Order – Domestic Violence – Dismissed    |
| ODIS          | Order Dismissing                         |

### Statistical Analysis Considerations

- These statistics represent a snapshot in time as of the dates the data was queried.
- A single party may be involved in one or more cases within a period of time.
- A single criminal case may have one or more charges.
- Counts of charges include all original or amended charges of the indicated offense.

- Information received from KYCourts/CourtNet is subject to change at the direction of AOC and may not reflect the true status of court cases due to standard limitations. For additional information, please refer to the [AOC Research and Statistics Disclaimers](#).

## **About CHFS**

The Cabinet for Health and Family Services (CHFS) serves as the state agency that oversees many of the commonwealth's human services and healthcare programs. CHFS provides and supports a range of services including Medicaid, child and adult protection, foster care and adoption, public health initiatives, behavioral health and aging and independent living services.

## Data Description

CFHS Department for Community Based Services (DCBS) does not investigate reports alleging domestic violence unless a child is involved in the incident.

The data reflected in this report was queried from the Comprehensive Child Welfare Information System (CCWIS), known in Kentucky as The Worker’s Information System (TWIST). The data element asks: “Is this intake an Intimate Partner Violence? (Intimate Partner Violence is abuse or aggression that occurs in a romantic relationship. Intimate partner refers to both current and former spouses or dating partners).”

CHFS filtered the intakes to include only the intake types: child protective services or unassigned intakes that had an allegation of abuse/neglect. CHFS defines child and adult abuse hotlines to include all sources of abuse reports to the cabinet, including but not limited to the child and adult abuse hotline, web portal reports, JC-3s, mail and protective order petitions.

Reports are typically counted in the county where the child primarily resides, although there could be other factors that impact in which county a case is reported. If two parents have shared custody and reside in two different counties, the report is typically counted in the county where the incident occurred. In this dataset, cases are grouped by area development district.

\* The Department for Community Based Services (DCBS) accepts reports that are based on the statutory and regulatory definitions of abuse or neglect, where the alleged perpetrator is in a caretaking role. If DCBS receives a report of alleged abuse committed by a person other than a parent, guardian, or other person exercising custodial control or supervision of a child, the worker immediately notifies the local law enforcement agency or the Kentucky State Police (KSP) and the commonwealth or county attorney. The worker will provide the content of the report and the receiving agency will determine the follow-up concerning the matter. For more information, refer to the [DCBS Standards of Practice Manual](#).

## ZeroV

ZeroV is a statewide coalition whose mission is to abolish the social conditions and systems that spark, enable and amplify intimate partner violence and to create communities where all Kentuckians can live and thrive in safety and peace. For more than 28 years, ZeroV has been the pass-through agency for the distribution of federal and state funding that comes to the Cabinet for Health and Family Services for the provision of shelter and supportive services to survivors of domestic violence. Pursuant to [KRS 209A](#) and regulated by [922 KAR 5:040](#), ZeroV ensures the state-designated shelter programs are in compliance with programmatic and financial requirements and serves as a data collection and reporting agency for demographic and service statistics in all 120 counties. ZeroV also provides direct housing services to survivors through its nationally recognized program.

The specific definitions of services and the data points provided by ZeroV and member programs (and that are reported to CHFS throughout the fiscal year) are largely constructed by federal law, regulatory policy and grant conditions that govern ZeroV's funding sources. A complete list of definitions and data descriptions for this section can be found in [ZeroV Data Dictionary](#).

The data provided by ZeroV only represents those survivors who reached out to designated program members for services. Research suggests that domestic violence remains underreported, especially amongst minority populations, to both law enforcement and domestic violence program service providers.

While all domestic violence is important to take seriously and consider as potentially lethal, the data provided does not capture the severity of abuse survivors experienced.

Pursuant to [KRS 209A.122](#), ZeroV may produce a report of best practices and recommendations for public policy by November 1 of each year to aid in future data collection practices.

### **Research and Statistics Disclaimer for CourtNet**

Information received from KYCourts/CourtNet is subject to change(s), reprogramming, modification(s) of format and availability at the direction of the Administrative Office of the Courts (AOC) and may not at any particular moment reflect the true status of court cases due to ordinary limitation(s), delay(s) or error(s) in the system's operation. The KYCourts/CourtNet database is not a real-time system. All datasets are a snapshot of case data at the time a query is run. Case counts are not counts of individuals as some persons may have multiple cases. The AOC disclaims any warranties as to the validity of the information obtained from KYCourts/CourtNet. The recipient is solely responsible for verifying information received from KYCourts/CourtNet through the cross-referencing of official court records. The AOC shall not be liable to the recipient, or to any third party using the system or information obtained therefrom, for any damages whatsoever arising out of the use of the KYCourts/CourtNet.

### **Research and Statistics UOR Code Disclaimer**

The Kentucky State Police (KSP) assigns the Kentucky Uniform Crime Reporting Codes (UOR Codes) to criminal offenses in the Commonwealth of Kentucky. The KSP official list of UOR Codes by KRS number and descriptor can be obtained at the KSP's website at [www.kentuckystatepolice.org](http://www.kentuckystatepolice.org). The AOC assigns and maintains codes that are used within the Court of Justice Case Management System for statistical and reporting purposes. These codes are used to identify local and city ordinances, as well as codes for general administrative purposes. The AOC official list of UOR Codes with KRS number and descriptor can be obtained at the Court of Justice Website at Analytics - Kentucky Court of Justice. The AOC UOR Code Listing is for informational purposes only and the information is subject to change, reprogramming, modifications of format and availability at the direction of the Administrative Office of the Courts (AOC).

A query for data based on specified charges will include each UOR code specified and possible supplemental codes. Supplemental codes (or "ASCF" codes) to any UOR code include: 1) attempt, 2) solicitation, 3) conspiracy, 4) facilitation, 5) complicity and 6) enhancement. In total, UOR codes contain seven digits. The first six digits are specific to that charge. The seventh digit indicates if there is a supplemental code. A "0" as the seventh digit means that is the primary UOR code and it does not have a supplemental code. If there are supplemental codes, the "0" will change to a 1, 2, 3, 4, 5, or 6 (the numbering corresponds to the list above). An enhancement does not exist on all UOR codes. When a supplemental code does not appear within a dataset, charge(s) did not occur during this period. The presence of \*obs\*" within the description of a UOR code indicates an obsolete UOR code. However, the code is still present within the KYCourts/CourtNet database and may still be utilized. Not every UOR code included in

the query will have charges associated with it in each calendar year examined. Some cases may contain multiple charges; therefore, charge counts may exceed case counts. The number of cases cannot be inferred as the number of individuals as multiple cases may have the same defendant.

The AOC disclaims and makes no warranty, express or implied, nor assumes any legal liability or responsibility, for the validity, accuracy, correctness, or completeness of any information that is available and/or obtained through this listing. The recipient is solely responsible for verifying the accuracy of the information received from the official owner of the UOR Codes, the KSP. 131 Furthermore, the AOC shall not be liable to the recipient, the recipient's heirs and assigns, next of kin or to any third party, for any and all claims, demands, losses or damages arising from the usage of this list and/or information contained therein.
