The Kentucky State Corrections Commission Welcomes New Grant Applicants for the Fiscal Year 2025

Community Corrections Grants are designed to provide financial alternatives to incarceration for judicial systems with local agencies providing treatment, rehabilitation, and a range of services to the justice-involved population.

Does your organization need financial aid?

You may be eligible!
We are actively looking for more grantees.

- Community Corrections Grant (CCG) Applications are submitted through the Grants Management System (IGX), which go live January 1, 2024, and are due no later than February 28, 2024. Please visit <https://kyjusticeigx.intelligrants.com/IGXLogin>.
